## Introduction

An Extra Day Score (EDS) is a qualifying score that can be played outside a competition. Every EDS will be put in the central database of the KBGF (Belgian Golf Federation). All EDS cards for Homeclub members will be controlled by the handicap committee of Golfclub Kampenhout. The EDS system will follow the rules that are defined in the EGA Handicap system till the 1<sup>st</sup> November 2020. After this the new WHS (World Handicap System) will be in place. But since the WHS will track already the past and current handicap changes the basic guidelines of WHS will be followed in the EDS implementation. It is the responsibility of the players to Act with integrity by following the Rules of Handicapping and to refrain from using or circumventing, the Rules of Handicapping for the purpose of gaining an unfair advantage.

### 1. EDS Cards

GC Kampenhout will allow two ways to have an EDS round. A physical score card can be asked at the secretary office before a round is played or an Electronic Card can be requested via the electronic (I-golf) system. With Electronic EDS automatic e-mails will be sent to the player, marker, homeclub and GC Kampenhout to confirm the registration. At all times the handicap committee will track the EDS cards and can challenge the entered cards as described in the Rules of Handicapping. Cards will be signed off by the Captain and/or a member of the handicap committee. The golf course needs to open for Qualifying Rounds (Course Rating and Slope Rating requirements need to be maintained) to get valid EDS.

#### 1.1. G.C. Kampenhout as Homeclub

##### 1.1.1. In Belgium

- Only EDS card played on the golfcourse of Golfclub Kampenhout will be accepted. Every EDS card will be considered as a Qualifying round.
- For the administration of the EDS Cards GC Kampenhout will charge an EDS fee of **5 Euro** per EDS round. For Juniors and/or 9 holes only 50% of the fee will be charged.
- EDS Cards will only be valid if:
  - The handicap categories of a player are cat.2 till cat.5.  
As of 29 May 2020, cat.1 (<4.5hcp) and cat.6 (37-54 hcp) players will also be allowed to bring in EDS Cards. This follows the principles of the WHS system and has been accepted by the KBGF.
  - The maximum of 5 EDS cards per year has also been lifted by the KBGF and currently no limits are put on the maximum amount of EDS cards that can be played.
  - An EDS only counts for handicapping when player has registered their name and Federation Card Number on the EDS entry list (automatic with electronic system) before starting the round. The entry must include the number of holes to be played (9 or 18 holes), date and hour of entry, name and Federation Number of the Marker, EGA- and playing handicap. Registration needs to be done before the round has started.

- A tee-time needs to be registered and is part of the EDS registration. Every EDS card will be for a specific registered tee-time.
- The player must record the same details as mentioned above on the physical score card (the electronic version will do this automatically) and must return the score card signed by the marker and countersigned by himself. For the electronic EDS card an electronic signature is required.
- If the player, after registration on EDS entry list, does not return the score card, a NR (No-Return) will be recorded for handicap purposes.
- The EDS card should be submitted (at reception or electronically) as soon as possible on the day of play, and before midnight. If after 3 days, the card is not entered it will be registered as No-Return.
- Format of play needs to be Single Strokeplay or Single Stableford. The score will be recalculated to a Stableford score.
- Full 9 or 18 holes need to be played.
- The EDS fee is paid before the EDS round starts (tee-times). If the fee is not paid upfront the EDS card will be cancelled. Note that EDS-fee payment of electronic EDS card also needs to be done at the reception. No in-app (I-golf) payment will be accepted. The published EDS-fee on the electronic booking tool (I-golf) does not represent the fee that needs to be paid.
- Requirement Markers:
  - The marker of an EDS card will be minimum handicap category 4 (max 26.4 hcp).
  - For category 6 players it is advised to have a Marker with a minimum handicap category of 3 (max. handicap of 18.4).
  - If the marker is <18 years, the handicap category of the marker needs to be Cat.2 (max. handicap of 11.4)
  - A marker cannot be younger than 16years.
  - Members of the sport committee can always be makers.
  - If requirement for markers is not met the EDS will be cancelled if it will be registered.

### ***1.1.2. International EDS Cards***

No Extra Day Scores will be accepted for rounds plays outside Belgium. This round will be out of the jurisdiction of the KBGF.

## ***1.2. G.C. Kampenhout hosting club players with other Homeclub***

Every player that will ask for an EDS card at the reception of GC Kampenhout will be allowed to play an EDS round if the Handicap Conditions are met. The player will be put on the EDS list (electronically also possible) and the Homeclub will be notified of the EDS round on our terrain. An EDS-fee of **7 Euro** will need to be paid to GC Kampenhout. Note that GC Kampenhout does not use in-app (I-golf) payments and fee needs to be paid at the reception before start of the round. An EDS is always linked at a tee-time.

The responsibility of the players conditions to play an EDS is with the Homeclub. The Handicap Authority of the Homeclub will control if all conditions are met to be a valid EDS and will register the possible change on the players Exact handicap based on the scores that are registered.

## 2. Competitions

### 2.1. Belgium

#### 2.1.1. *Qualifying and Counting competitions*

The result will automatically be entered in the handicap system.

#### 2.1.2. *Non-Qualifying competitions*

Scorecards for a competition round that will be defined as Non-Qualifying before or the same day because of weather or terrain conditions can be accepted as an EDS if the conditions for an EDS card are met.

### 2.2. International

#### 2.2.1. *GC Kampenhout Qualifying and Counting competitions*

The results will be entered in the handicap system based on the results.

#### 2.2.2. *Qualifying and Counting competitions from National Federations*

Results from players from competitions organised by National Federations, affiliated clubs and other organisations can be accepted based on the official results published by the foreign competitions. For the cards to be accepted the scorecard (or copy) needs to be stamped or signed off by the captain or responsible from the foreign organization.

#### 2.2.3. *Non-Qualifying competition*

GC Kampenhout will not accept any scorecards for non-qualifying competitions outside Belgian.

## 3. Questions

If there is any questions or doubts about the rules to be followed, the Handicap Committee that has the authority to judge if the score will be added as a Qualifying Score.
